

Only \$150

We are pleased to present our exclusive plan, available for a single annual payment of \$150 (excluding taxes). This comprehensive package encompasses a wide array of services that, when assessed individually, hold an estimated value exceeding \$600. This offer presents an exceptional value proposition, especially for individuals who may not possess advanced technical expertise and frequently encounter questions or issues related to technology.

“AMAZING!!!! VERY affordable work and they work fast. I recommend 100% for your computer needs. I couldn't be happier.”

-Google review from customer

Our small-town IT business located in Norwalk Ohio started back in 2018 with our team of experts that have 20+ years of experience in the world of IT. Our focus is to help people in the Northern Ohio communities with their computer and network problems. Our team's focus is people over profit! We want to help you and your business feel confident with your technology!
